- **Dietmar Zehn, Early career Prize in Immunology**
Centre hospitalier universitaire vaudois (CHUV), Faculty of Biology and Medicine,
University of Lausanne (CH), SSAI, PhD 2004
" Requirements for inducing protective immunity and protective cytotoxic T-cell responses"

- **Thomas Marichal, Early career Prize in Allergology**
GIGA-Research Institute, Liege (BE). BIS, PhD 2011.
"Induction and physiological functions of type 2 (allergic) immune responses"

- **Dr. Elina KISS, 2013 ACTERIA Doctoral Prize in Immunology**
Institute of Medical Microbiology and Hygiene, University of Freiburg (DE)
"Title to be announced after confirmation of the speaker"

- **Dr. Alexander EGDEL, 2013 ACTERIA Doctoral Prize in Allergology**
Institute of Immunology, University of Bern (CH),
"Title to be announced after confirmation of the speaker "

- **Dr. Nicolas MANEL, 2013 ACTERIA Early Career Research Prize in Immunology**
"Human Innate Immunity", INSERM U932, Institut Curie, Paris (FR), awarded the
"Title to be announced after confirmation of the speaker "

- **Dr. Stefanie EYERICH, 2013 ACTERIA Early Career Research Prize in Allergology**
'Skin Immunology', ZAUM/IAF, Technical University and Helmholtz Center, Munich (DE)
"Title to be announced after confirmation of the speaker "

Award of the Prizes by members of the Jury : Prs Catherine FRIDMAN, Fiona POWRIE and the Presidents of the respective National Societies of each laureate: Prs Peter OPENSHAW (BSI), Winfried PICKL (ÖGAI), Oberdan LEO (BIS), Federica SALLUSTO (SSAI), after each laureate conference.

90 mn, 8 talks of 10 mn + 10mn total to give out the Prizes
There will probably be fewer than 8 talks:
the 4 recipients of the 2015 award will be there
the 4 former recipients may not all come to Vienna.
